

SCOUT II THERMAL MONOCULAR

The compact, lightweight **FLIR® Scout II Thermal Imaging Camera** is available in two models: Scout II 240 (240x180) and Scout II 320 (320x240 - 2X digital zoom). The Scout II Series fits easily into the palm of your hand, and its simplified operation makes it an ideal choice for sportsmen, hikers, ranchers, rangers, or backyard nature enthusiasts. Save money by locating missing insulation or drafty doors around the house. The Scout II is available through GSA Advantage.
